MORE THAN 100 TURN OUT AT MILLS FOR SCHOOL CROSS COUNTRY SQUAD

Winners Last Year Centering Efforts on Landing Championship Again—Chun Lee Park is Expected to Make a Great Showing in Event—Lower Grammar Squad Wins Interclass Meet in Great Run—Great Interest Taken in Classic

With the football season out of the way at Mills, the boys have taken up another sport in cross-country running. More than 100 boys turned out every afternoon for the past week under the leadership of Trainer Arthur S. Wyman of Dartmouth College. Last year's W. C. Merritt had charge of the cross-country running and under his fine work Mills won the annual Cornell cross-country run, beating Kamehameha by a wide margin. The 10 men who ran in last year's race are back in school, with the exception of Joseph Amos and H. Sucka, who have left school through graduation. Prospects are bright in cross-country at the Manoa Valley Institute for another victory early next February, when the run is pulled off. There are a number of dark horses in school and they make take the places of some of the regular first-string runners if they can keep up the speed that they showed in the past week.

Chun Lee Park Captain

The best and fastest long-distance runner of the islands is without doubt Chun Lee Park, a Chinese runner. He came second in last year's run, with Woolsey, the Kamehameha runner, taking first place. This year Woolsey, likewise the Kamehameha runner, will have to go some in order to beat Mills, and the Red and Green team is confident of carrying off the honors from the other schools. Mills is slow in other sports, but is speedy in cross-country, as St. Louis is in soccer, basketball and baseball. Some people have said that Mills starts in practicing cross-country rather too early, as the Cornell run is a long way off. The reason why Mills starts in for cross-country at an early date is because she has no other lines of sports, such as basketball or soccer, to join the regular interscholastic league.

Interclass Meet

One hundred and thirty-five boys took part in the interclass meet yesterday morning at Manoa Valley, running a course of about two and three-quarter miles. The boys started from the Mills athletic field, running up through Kawaiahoi Seminary to the end of the car line and then back, pumping down the road leading to the College of Hawaii, thence across the field from the start to the finishing line at the front of the office. Chun Lee Park again proved himself to be the leading runner and easily took first place. There were six teams entered. The classes are: Seniors, junior, last year's champions; sophomores, freshmen, seventh and eighth grades and the lower grammar grades. The first runner crossing the string gets one point and the second two points and so on down. The class having the least number of points were the winners.

TWO GAMES SCHEDULED FOR BASKETBALL TEAMS AT Y. M. C. A. TONIGHT

Clubs	Won.	Lost.	Pct.
Reds	3	0	1.000
Alerts	2	1	.666
Tigers	2	1	.666
Fort Kamehameha	2	2	.500
All Stars	2	2	.500
Fort De Russy	1	3	.250
Oakus	0	3	.000

Games Tonight

Alerts vs. Reds.

Tigers vs. All Stars.

Fast games are promised basketball fans for tonight when the Senior Basketball League stages another of its double battles in the big games hall at the Y. M. C. A. In the first game the light, but fast, Alerts will line up against the strong Reds, and in the second match the Tigers will face the All Stars. These teams are in good condition for the fray and are well balanced, so should put up a first class article of basketball.

Line ups tonight will be:

Alerts—R. B. Clay, rf; C. R. Clark, lf; A. C. Grove, center; A. J. Grillo, rg; E. W. Austin, rg.
Reds—W. McCrillis, rf; Sgt. John Brash, lf; Nowes, Johnson, center; Don Ladd, lf; William, rg.
Tigers—Jim Nott, rf; K. Henry, lf; D. E. Nicholson, center; S. Nicholson, rg; C. Tinker, W. H. Meinecke, lg.
All Stars—Bennett rf; Humme, lf; Whitcomb, center; Gaylord, Black, rg; Morgan, lg.

COME UNMARRIED "FRAUEN"

[By Associated Press]
KARLSRUHE, Baden.—The authorities of the grand duchy of Baden have found a welcome solution to the problem that has long bothered them of how to address women whose fiancés have been killed in the war, and who regard themselves as wedded even though no ceremony ever took place.

By order of the grand duke to the ministry of justice such women are entitled to call themselves and to be called "Frau" instead of "Fräulein" if they can establish satisfactorily that

The lower grammar grades had the best argument of the day and they won out by a score of 33 points to the seniors' 159 points, who came in last. The result of the run was: Lower grammar, 33 points; sophomores, 85 points; juniors, 86 points; freshmen, 99 points; seventh and eighth, 165 points, and seniors, 159 points. Last year in the first run the same class came first, with the junior second. This year the same thing happened, but the juniors came in third, just one point behind the sophomores. There will be four more runs to decide the class champion. The juniors are expected to win the championship again for another year. The champion class will have the name of the class engraved on the Dr. Williams' trophy. The officials in charge of the meet were: Arthur S. Wyman, W. C. Ross, J. F. Nelson, T. W. Blowers, R. E. Stone, L. L. Lynch, M. L. Copeland and E. L. Lancaster.

Results of First Cross-Country Race

Omura, H. Fujimoto, Y. Kuboki and Lee Hung Quon.

*Indicates that the runners were on last year's champion team.

Y. M. C. A. BOOSTS FOR SPORT AMONG YOUNG BASKETBALL PLAYERS

The Employed Boys group at the Y. M. C. A. are the lads that are putting basketball and volleyball on the map. They are playing some close and exciting matches in their American-National League race at the association and getting good sport out of it.

In basketball last night the Cubs defeated the Giants, in the National League division, by the score of 10 to 6. The fast work of LaFortune and Joe Silva at forward gave the victory to the Cubs. The Red Sox won from the Senators in the American League division by the score of 5 to 1. This was a snappy game, the Senators holding the lead through the first half and winding up this half with the score 1 to 0 in their favor. In the second half the Red Sox came back with a vengeance and when the smoke cleared away at the close of the second half the score stood 6 to 1 in favor of the Red Sox.

Before the games were played the boys met for their weekly bean supper in Cooke hall, and as a result of their attendance at the Bible study classes and the victories in basketball and volleyball the teams have come closer together in points in the race for the championship. Following are the standings:

Clubs	National League	Points
Giants		1750
Dodgers		1720
Pirates		1000
Cubs		940

American League

Clubs	Points
Red Sox	1400
Tigers	1270
Athletics	1210
Senators	800

They were engaged, with earnest intention of being married, to men who have been killed in the war or who are reported as missing for a specified length of time.

In a watch made for exhibition there is a wheel that makes a revolution in four years, operating a dial which shows the years, months and days.

They Know Something About Baseball

Here are three of the big cogs in the Wrecking Crew. They have been responsible for much of the success of the team, and baseball fans throughout the territory know something of the ability of these three players. Wilbur Rozan, the star pitcher of the island, is seen in his characteristic pitching pose. Dad Swinton, who is one of the headiest players in the business, is partly hidden behind the mask, while O. Johnson is seen ready to hurl the ball down to the second sack to catch the runner. In addition to being strong on the defense, these three players, who are meeting the All-Americans today, are especially strong with the bludgeon.

SOUTHPAW DUEL SCHEDULED FOR CURTAIN RAISER

Punahou and St. Louis Will Have Strong Teams in Field for First Game Saturday

Charley Littlejohn has lined up a strong team for the game on Saturday afternoon at Athletic Park. The Punahou team, which has always been popular here, will meet the fast St. Louis team in the first game of a double header. This game will be played previous to the contest between the All-Americans and the Travelers.

Rawson, the big southpaw who used to pitch against Harvard in the school games, will be on the mound for the Punahou team, and Donald Ladd, one of the best catchers in the Ohio colleges last year, will be behind the bat. Both these players are secretaries at the Y. M. C. A., and a special delegation from the association will be present to cheer them on to victory.

Correa to Play

Antone Correa will play first base, and the infield will consist of Kim Wal at second, Littlejohn at short and Gridler at third. Quintal, one of the fastest amateur players in the city, will be stationed in center field. He is an excellent infielder, but his speed in the outfield is surely going to fill a big hole where Punahou has been weak. Kau, Paty, McGinnis and other players will perhaps be in the lineup.

St. Louis will have a strong team ready for Punahou, and the natural rivalry between these two teams is certain to bring a large number of fans out to the game. Heywood, the young southpaw, will be on the mound, and Spencer will catch. It is expected that Lai Sin, Haneberg, Bun Yee, Kurasaki, King Tan, Chun Chew, Kapua, Fun Luke, Lemon and Marham will be ready for play.

Will Miles is expected to be on the job on Saturday, and inasmuch as the St. Louis team plays real ball when he is around the lot the fans may expect a hard battle. With two star southpaws in the box, the spectators are certain to see a good battle. The game will be called at 1 o'clock to allow the big leaders a chance to start the second battle at 2:15.

BURGARS TRAPPED IN HOME OF OPERA SINGER

NEW YORK, N. Y.—Three burglars were trapped recently in the home of Emmy Destinn, opera singer, at Riverside drive and Eighty-first street. One was shot and the other two were captured. Several prominent persons figured in the arrests, and thousands were attracted to the scene by the shooting and blowing of whistles.

A collection of the personal belongings of Maj. Gen. Lawton, from the time he enlisted as a volunteer in 1880 until he fell in the Philippines in 1899, has been placed in the National Museum at Washington.

YAMASHIRO MAKES GOOD SHOWING IN GRIDIRON SPORT

Honolulu Japanese Play Football as Well as Baseball; Surprise Spectators

M. Yamashiro is the name of Temple Preparatory school's right guard. He is of Japanese descent. He is "dubbed" "Yim" by his teammates, although Yamashiro admits he would prefer a less familiar nickname.

He appeared on the field of Episcopal Academy at 62nd and Walnut streets togged out in football regalia. He has only played one game of football, and that was last Friday against La Salle College, and resulted in a 6-0 tie.

Yamashiro is 20 years of age, and is, as far as is known, the only Japanese who has been a member of a local school eleven.

"I like football very much," he said, coming off the field after going through a strenuous scrimmage against the Episcopal Academy eleven. "Baseball, though, I think is better. You can use your hands in baseball but not in football. I don't quite get the idea," he added.

Yamashiro has been in this country two years. He was born in Honolulu. His nickname, "Yim," has led many to believe him to be of Chinese birth, and this belief has been strengthened by the fact that he played centerfield for a time with the touring Hawaii team last summer. He is taking a course in dentistry.

He is five feet five inches in height and weighs 155 pounds. He plays the game hard, so the coach says, and learns even intricate formations readily.

Yamashiro went to work with a will in the scrimmage. He broke through several times and spilled the interference. He has the bad habit of unconsciously using his hands on the defense. He likes football but is longing for the baseball season to grasp a trusty willow and bat the old sphere.

COLLEGE OF HAWAII WANTS TO MEET FAST PUNAHOU AGGREGATION

(Special Star-Bulletin Correspondence)
COLLEGE OF HAWAII, Nov. 21.—A most noticeable neglect occurred in making up the schedule for the second half of the interscholastic football season when no arrangement was made for Punahou to play the College of Hawaii. This inadvertence is all the more glaring since the Punahou-Hawaii game caused so much excitement and widespread comment at the time, and since Hawaii had the advantage of the play. Both teams have made vast improvement since that time, and it is incumbent on Punahou to prove to her friends that she is capable of at least playing Hawaii to another draw. Even though such a game was not scheduled, there is now offered an opportunity for Punahou to play Hawaii in the withdrawal of Mills from the second half of the season. With the exception of the Hawaii game Punahou has won every play this

BRUSH HAS GATHERED STRONG TEAM TO MEET ALL-AMERICANS THURSDAY

Four Players Who Will Arrive From Japan This Evening Will Be in Lineup—Crumpler, Johnson, Amama and Simmons Will Be Pitching Corps—All-Service Team Has Been Popular With Soldiers—Can All-Americans Hammer Southpaw?

Manager Brush of the Brushers, who has done a heap for baseball in Honolulu, has gathered together a strong aggregation to meet the All-Americans on Thursday afternoon at Athletic Park. Three months ago there wasn't a service team here that could meet the locals, but Brush got busy and lined up an organization that has played some excellent games here.

The team is becoming stronger than ever, and a number of stars have been developed since Brush took hold of the team. Brush told Sam Nott, president of the Pacific League, that he wanted a chance to play ball with the locals. He got up a team that showed heaps of promise, and before another year has passed the All-Service team should have a real winning organization.

Boosted Baseball

Men like Brush, who have put the sport above everything, are worth while in a community, and the support given him by the men of the service is proof of this fact. The team has lost and learned the lessons, and it is certain that the team on Saturday will show some ability to play the national game.

Brush will have Crumpler, who will return from the Japan trip this evening; Amama, Johnson and Simmons

on hand for the hurling corps. Dawson will be behind the bat, and Jackson, who is one of the best first sackers ever developed here, will be on first base. Zuber, Dumshott and Madala, who will return from Japan this evening, are slated for infield positions, with McGarry, Stratton and Anderson eligible. Kai Lake, who is a member of the National Guard, may be used also.

Good Outfield

In the outfield Brush will have a trio of fly gatherers who may be depended upon to show their ability, both in the field and at bat. Amama, Judd and Holcomb are well known in Honolulu, and it is certain that they can be depended upon to play good ball. Estelle and Ralls are two other outfielders who have made a good showing here.

It is not certain who will pitch for the All-Americans against the All-Service team, but either Noyes or Johnson may work. If the ground is in good shape the teams should play some snappy ball. Straton doesn't want to take any chances on injuring his players on a wet field, although Saturday's game was played in the mud, so it is expected that if the field is in fair shape the game will be played.

BOYS OF PALAMA HAVE ORGANIZED THEIR ATHLETICS

The organization of an athletic association at Palama Settlement, which was proposed by Assistant Head Worker W. R. Humphries at the beginning of this school year, has been accomplished and the executive committee of the new organization has opened negotiations with Samuel W. Robley of the Y. M. C. A. relative to athletic competitions between the two associations.

The Palama Settlement Athletic Association is composed of three representatives from each of the two senior clubs—Lionel Brash, H. Brito and W. Rosehill for the E. & A. Club and Otto Thiess, A. B. Carter and D. L. Conkling for the swimming club; two representatives from the Intermediate club—Lee Kai and Quon Chew of the Allegro brotherhood; one representative from the junior club—Ah Chong; the Palama physical director, Ben H. Clarke; the swimming instructor, Harvey Chilton; A. L. Castle, representing the settlement trustees, and Humphries and Head Worker James A. Rata, ex-officio members.

The association has in turn selected an executive committee in charge of all athletic contests for the settlement. The committee is composed of A. L. Castle, president; Lionel Brash, vice-president; Otto Thiess, secretary-treasurer, and Clark and Chilton.

BOWLERS MEET TODAY

Though the Commercial Bowling League teams are having this week off before starting in on the second round schedule, there will be something doing today in this line. At 4:15 o'clock the captains of all the teams will meet in the directors' room at the Y. M. C. A. and take up matters pertaining to the second round of matches. This league is a popular one and has struck a high key of interest among the members of the Association.

You Can Dance Your Legs Off In B.V.D.

It's cool, comfortable and free-draping. B.V.D. helps make dancing enjoyable, no matter how hot the day or sultry the evening.

As a Spectator

you would receive a great deal of genuine enjoyment from watching the two fast basketball games at the Y. M. C. A. tonight at 7:30:
